February 17, 2021

TO: Missouri Natural Gas Operators

FROM: Kathleen McNelis, Pipeline Safety Program Manager

SUBJECT: **1) Remote MANGO General Spring Meeting**
2) Remote Operators Only Meeting
3) Option to receive Inspection Summary Letters electronically
4) PHMSA is seeking comments on FAQs

Note: Copies are not sent to all operator personnel. Please forward to the appropriate person(s).

1) Remote MANGO General Spring Meeting

Due to continuing COVID-19 related restrictions, the **in-person** MANGO General meeting scheduled for March 17, 2021 at the Governor's Office Building **is canceled**.

The PSC will be hosting a remote (computer or call-in) MANGO General Spring Meeting on WebEx. Invitations will be sent to this email distribution, and may be forwarded to others you think may have interest in attending. This will be an open meeting. If you have items or topics you would like to add to the agenda, please contact a MANGO board member.

2) Remote Operators Only Meeting

Following the remote MANGO general meeting (open), there will be a remote Operators Only Meeting. This will be a Post meeting scheduled to take place at 1:30 pm CST; Calendar invites will be sent out from Summit Natural Gas to the Operators who have reached out asking to participate. If you would like to receive an invitation, please contact Carla Richardson via email crichardson@summitnaturalgas.com.

3) Option to receive Inspection Summary Letters electronically

Staff is providing an option to send Inspection Summary Letters via email. If you are currently receiving the letters by standard mail and would prefer by email, please indicate so to Kathleen McNelis at Kathleen.mcnelis@psc.mo.gov. Staff will continue sending inspection correspondence by standard mail until such notification.

4) PHMSA is seeking public comment on FAQs

PHMSA is seeking public comment on frequently asked questions for the following:

- (Batch-2 FAQs) to facilitate implementation of its final rule titled "Safety of Gas Transmission Pipelines: MAOP Reconfirmation, Expansion of Assessment Requirements, and other Related Amendments" (Gas Transmission Rule). The draft FAQs and other supporting documents are available online on the Federal eRulemaking Portal, <https://www.regulations.gov>; search for Docket No. PHMSA–2019–0225.

Comments on the draft Batch-2 FAQs may be submitted to Docket No. PHMSA–2019–0225 no later than March 16, 2021. Additional information is provided at the PHMSA link located at <https://www.phmsa.dot.gov/regulations-fr/rulemaking/2020-28777>.
