### **1) Proposed Rule Amendments**

On March 16, 2022, the Commission issued an order opening working Case No. GW-2022-0327 to consider amending the Commission's natural gas safety rules. Attached are a copy of the Order, Staff's motion explaining the proposed amendments and a copy of the proposed amended language. Any stakeholder wishing to submit written comments regarding the rule amendments being considered by Staff should do so no later than May 2, 2022. Instructions for submitting comments are provided in the attached Commission Order.

### **2) Spring MANGO General Meeting (March 30, 2022) – In Person**

The Spring MANGO General Meeting is scheduled for March 30, 2022, beginning at 9:30 AM in Jefferson City. The meeting will be on the 4th floor in the Ballroom (Room 450) of the Governor Office Building (GOB). A meeting agenda is attached. If anyone has additional items for the agenda, please contact Carla Richardson at: [crichardson@summitnaturalgas.com](mailto:crichardson@summitnaturalgas.com). The PSC Staff and MANGO board members look forward to seeing you then.

### **3) PHMSA Notification of Grant Opportunity**

PHMSA provided the MO PSC a copy of information it sent to municipality and community owned natural gas operators on March 15, 2022. The information pertains to grant funding that will be made available to municipality or community owned utilities (not including for-profit entities) to repair, rehabilitate, or replace natural gas distribution pipelines, or portions thereof, or to acquire equipment to reduce incidents and fatalities, and to avoid economic loss. A copy of the information the MO PSC received from PHMSA is attached.

### **4) 2022 MANGO Safety Conference (June 29- July 1, 2022) – In Person**

The 2022 MANGO Conference will be in person this year, June 29 – July 1, 2022, at the Margaritaville Lake Resort Lake of the Ozarks. Registration for vendors is now open on the MANGO website. Operator attendee registration will be open soon.
