JOHN P. MITCHELL
Commissioner

May 31, 2024

TO: Missouri Natural Gas Operators

FROM: Kathleen McNelis, Pipeline Safety Program Manager

SUBJECT: **1) Proposed Rule 20 CSR 4240-40.100 Renewable Natural Gas Program**
2) Proposed Amendment of the Commission's Rule 20 CSR 4240-10.030 Standards of Quality

Note: Copies are not sent to all operator personnel. Please forward to the appropriate person(s).

1) Proposed Rule 20 CSR 4240-40.100 Renewable Natural Gas Program

This newly proposed rule is being promulgated consistent with Section 386.895, RSMo, which directs the Commission to adopt rules for gas corporations to offer a renewable gas program, and specifically must include reporting requirements and a process for gas corporations to recover incurred costs associated with the renewable gas program that are prudent, just, and reasonable. The rule will be used by gas corporations who want to provide a renewable natural gas program.

A copy of the proposed rule is available in the Commission's Electronic Filing and Information System (EFIS) in Case NO. GX-2024-0326, a link is provided below:
