October 06, 2020

TO: Missouri Natural Gas Operators  
FROM: Kathleen McNelis, Pipeline Safety Program Manager  
SUBJECT: **1) PHMSA Advisory Bulletin ADB-2020-01, Inside Meters**  
**2) PHMSA Advisory Bulletin ADB-2020-02, Low Pressure Systems**  
**3) MANGO Meeting Agenda Update**

Note: Copies are not sent to all operator personnel. Please forward to the appropriate person(s).

### **1) PHMSA Advisory Bulletin ADB-2020-01, Inside Meters**

The Pipeline and Hazardous Materials Safety Administration (PHMSA) issued this advisory bulletin to alert owners and operators of natural gas distribution pipelines to the consequences of failures of inside meters and regulators. PHMSA is also reminding operators of existing Federal regulations covering the installation and maintenance of inside meter and regulators, including the integrity management regulations for distribution systems to reduce the risks associated with failures of inside meter and regulator installations. A copy of the Advisory Bulletin is attached.

### **2) PHMSA Advisory Bulletin ADB-2020-02, Low Pressure Systems**

The Pipeline and Hazardous Materials Safety Administration (PHMSA) issued this advisory bulletin to remind owners and operators of natural gas distribution pipelines of the possibility of failure due to an overpressurization on low-pressure distribution systems. PHMSA is also reminding such owners and operators of existing federal integrity management regulations for gas distribution systems. A copy of the Advisory Bulletin is attached.
