Natural Gas Operation and Trade Fair – June 25-27, 2008

I want to remind everyone that the annual Natural Gas Operations Seminar is a few short weeks away and plans for the event are in place. The Missouri Association of Natural Gas Operators (MANGO) members have worked hard to develop an agenda that is both informative and interesting. In addition to the Seminar schedule, various natural gas related product vendors will set up displays and have representatives available to answer your questions. This should be a beneficial training and educational opportunity for all natural gas operators and your participation is highly encouraged.

The seminar will be held at the Lodge of Four Seasons, Horseshoe Bend Parkway, Lake Ozark, Missouri, and a special seminar room rate of \$97 + \$6 guest service fee + taxes is being offered. For hotel reservations call (888) 265-5500 or email at 4seasonresort.com by May 25, 2008 and mention that you will be attending the MANGO Seminar.

If you have not yet registered for the Seminar, please find enclosed a registration form. A Seminar agenda was mailed to operators on March 28, 2008. The registration form and Seminar agenda can also be found on the MANGO website (mangowp.org). Please return your registration to the address indicated on the form before June 1, 2008. If you need further information, please contact Tim Eggers at (314)554-3638 or e-mail at Teggers@Ameren.com

The PSC Staff and the MANGO Executive Committee are looking forward to seeing you at the Seminar. Please make arrangements to attend without delay.

Introduction of New Staff Member

Please join us in welcoming Kathleen McNelis to the Gas Safety/Engineering Staff. Kathleen has a BS degree in chemical engineering from Georgia Tech and a Master's in metallurgical engineering from the University of Missouri. Kathleen joined the Staff on March 31, 2008.
