TO: Missouri Natural Gas Operators

FROM: Bob Leonberger, Missouri Public Service Commission

SUBJECT: **Natural Gas Operations Seminar and Trade Fair - June 30-July 2, 2009**

I want to remind everyone that the annual Natural Gas Operations Seminar is about a month away and plans for the event are in place. The Missouri Association of Natural Gas Operators (MANGO) members have worked hard to develop an agenda that is both informative and interesting. In addition to the Seminar schedule, various natural gas related product vendors will set up displays and have representatives available to answer your questions. This should be a beneficial training and educational opportunity for all natural gas operators and your participation is highly encouraged. Also, on Wednesday night, there will be a lake excursion on the Tom Sawyer. Sign-up for the excursion will be at time you pick up your registration items at the Seminar registration table. **Please note that the Seminar will be held on Tuesday, Wednesday and Thursday this year.**

The seminar will be held at the Lodge of the Four Seasons, Horseshoe Bend Parkway, Lake Ozark, Missouri, and a special seminar room rate of \$97 + \$6 guest service fee + taxes is being offered. For hotel reservations call (888) 265-5500 or email at [4seasonresort.com](http://4seasonresort.com) by May 30, 2009 and mention that you will be attending the MANGO Seminar.

If you have not yet registered for the Seminar, please do so without delay. The registration form and Seminar agenda can be found on the MANGO website ([mangowp.org](http://mangowp.org)). Please return your registration to the address indicated on the form before June 1, 2009. If you need further information, please contact Tim Eggers at (314) 554-3638 or e-mail at [Teggers@Ameren.com](mailto:Teggers@Ameren.com)

The PSC Staff and the MANGO Executive Committee are looking forward to seeing you at the Seminar. Please make arrangements to attend without delay.
