

March 28, 2008

TO: Missouri Natural Gas Operators

FROM: Bob Leonberger, Missouri Public Service Commission

SUBJECT: **Natural Gas Operations Seminar and Trade Fair – June 25-27, 2008**

I want to remind everyone that the annual Natural Gas Operations Seminar is rapidly approaching and plans for the event are in place. The Missouri Association of Natural Gas Operators (MANGO) members are working hard to finalize an agenda that is both informative and interesting. Also, the Staff is working with MPUA to possibly incorporate some OQ training during the Seminar. In addition to the Seminar schedule, various natural gas related product vendors will set up displays (inside and outside) and will have representatives available to answer your questions. Registration will begin at 10:00 a.m. on June 25 (Wednesday), with lunch on your own (there are several restaurants in the hotel), and the Seminar will start at 1:00 p.m. Check-in to the hotel will be at 4:00 p.m. and will be assigned as accommodations become available. Check-out time is 11:00 a.m. A continental breakfast will be provided Thursday and Friday, dinner will be provided on Wednesday, and lunch and dinner will be provided on Thursday. This should be a beneficial training and educational opportunity for all natural gas operators and your participation is highly encouraged.

The seminar will be held at the Lodge of the Four Seasons, Horseshoe Bend Parkway, Lake Ozark, Missouri and a special seminar room rate of \$97 + \$6 guest service fee + taxes is being offered. Please make your reservations at 888/265-5500 or email at 4seasonresort.com by May 25, 2008 and mention that you will be attending the Pipeline Safety Seminar. Rooms are on a first come, first serve basis.

Enclosed are the Registration Information Sheet and the Operator Registration Form. Also, for your information and planning, a preliminary seminar agenda is enclosed. The finalized agenda will also be available at a later date by e-mail or website. In addition, Seminar information and a registration form can be found on the MANGO website (www.mangowp.org). If you need further information, please contact Tim Eggers at (314) 554-3638 or e-mail at Teggers@Ameren.com

Also, please find enclosed a **2008 Board Member Election Official Ballot**. Please vote for two of the nominated candidates listed on the ballot and return to the address indicated on the ballot before May 15, 2008.

The PSC Staff and the MANGO Executive Committee are looking forward to seeing you at the Seminar. Please make arrangements to attend without delay.

RF, RRL
